

Welcome!

Mission Statement: St. Timothy is a community claimed in baptism, gathered in worship and sent in service for the sake of the world.

We are glad you worshipped with us today. Whether you are simply visiting or looking for a church home, our community of faith is eager to meet you! We encourage you to see how God is working through us to reach out and do God's work in our church, our community and our world.

All are welcome. Welcome to worship, pray and praise. Welcome to use your gifts and talents to make life better for others. Welcome to discover, experience and share the love of God through a community of imperfect, searching and seeking Christians.

We hope you will want to share our energy, faith and joy, as well as our commitment to serving God and God's people.
